

What are
„popular
votes“?

That is the actual number of the American people's votes for a candidate. But not the candidate with the most votes wins. The candidate who gets the most votes in a state wins all the electors of that state.

Who are the
presidential
candidates?

Joe Biden (Democrat),
Donald Trump (Republican),
Bonus: Jo Jorgensen
(Libertarian)

Who are the
'running
mates'?

Kamala Harris (Democrat),
Mike Pence (Republican),
Bonus: Jeremy Cohen
(Libertarian)

Who is
allowed to
vote?

- all US citizens - but in most states prisoners are excluded!
- 18 or older
- registered in one of the 50 states
